ACHTUNG / MISE EN GARDE / CAUTION:

- Dieses Produkt wandelt keine Spannung um (AC-AC). Um Schäden an Ihrem Gerät oder andere Gefahren zu vermeiden, stellen Sie sicher, dass die Steckdose die Sie verwenden die richtige Spannung hat.
- Jedes Land hat seine eigenen Vorschriften bezüglich Verwendung von Reiseadaptern, bitte informieren Sie sich vor der Einreise.
- Bitte nur innen verwenden.
- Ce produit ne convertit pas la tension en courant alternatif (AC-AC). Pour éviter d'endommager votre appareil ou tout autre appareil, assurez-vous que la prise que vous utilisez a la bonne tension.
- Chaque pays a ses propres règles concernant l'utilisation des adaptateurs de voyage, veuillez vérifiez avant d'entrer dans le pays.
- A n'utiliser qu'en intérieur.
- This product does not convert voltage (AC-AC). To avoid damage to your device or other devices, make sure that the outlet you are using has the correct voltage.
- Each country has its own regulations regarding the use of Travel Adapter. Please inform yourself before you travel in.
- Indoor use only.

ACHTUNG - falscher Gebrauch kann zu einem elektrischen Schlag führen
ATTENTION - Une mauvais utilisation peut entraîner une électrocution
CAUTION - misuse can lead to electrical shock
